

Exclusive Advantages

When comparing **Char-Broil RED** to other **infraRED** gas grills at similar prices, look to see if they offer the same or better performance based on these features:

1) InfraRED Grilling That's All About U™

The Most Important Features of a Gas Grill according to Grillers like you.

Independent Source: Hearth, Patio, and BBQ Association, HPBA.com

Easy Ignition System	Integrated indoor-range-style ignition.
Large Grilling Surface	Infra RED across entire cooking surface – no spot burners.
Durability	Just lift the lid!
Ease of Cleaning	Turn to CLEAN and brush into the Char-Broil U™ for removal.

2) Flavor for U™

Create a better meal with the exclusive Char-Broil U™ that generates 100% Infra**RED** heat to sear-in flavor and keep foods moist and juicy – never dry.

3) Simplicity for U™

Simplify your life with the exclusive Char-Broil RED Cooking System that allows you to select the right temperature range from Rotisserie to Sear.

4) Efficiency for U™

Be more efficient with exclusive Porcelain Coated Cast Iron Grates that require no seasoning, distribute heat evenly, and make cleaning easier.
